U.S. DISTRICT COURT
DISTRICT OF MASS.

Aug. 27, 05

Dear Judge,

I am formally complaining about this current case of assault allegations against one of your judges. I have recently been experiencing a serious case of discrimination against me within your court. I have written you and my ex-attorney Mr. Robert Murray on April 28, 2005 ~~to~~ to notify you that I have fired my Attorney Mr. Robert Murray. I would like to know why is or was he still on my case. When I had fired him formally and in an appropriate way and manner. By written notification.

Today I had to fire him verbally over the phone.

I had been representing myself all along on this case and had my name (my own name)

Cleared with a continuance without finding. Graded to me on March 21, 2005 by Judge Mrs. Johnson.

I had come back on March 30, 2005 and was told that I was going to be evaluated for ~~a~~ competency evaluation to see if I could stand trial.

What is this Judge? I was suppose to have left the court on March 21, 2005 with my innocence.

As you know I had to travel all the way to Seattle Washington for that exam.

My Doctor Mrs. Hyatt proclaimed me competent.

This is not right discrimination! I did not even have a court date and I was told that I was going to be ~~set free~~ set free in Mass. Somewhere.

I got to the court house on 6/15/05 and I shipped to Framingham and was told that I was supposed to be shipped to N.Y. the same night.

What happened? What happened to me constable.

I requested after I fired Mr. Murray?
What happened to my transfer/Release that
I was awarded?

If I don't have to appear in court
I would like to be released from
here. From Worcester State Hospital
after or before the 30 days.

In the meanwhile I will be notifying
the MCAD immediately of your misconduct.
I don't want the Aug. 30th, 2005 court date.
I won as a Pro-Se attorney representing myself.

Yours truly,

MR. SHIRAZ A. ADAMS
